

MIMOSA - Mimosa Point to Point & Point to Multipoint Configuration Training Agenda (MM02)

13th May 2020

Presenter

Abdul Qayyum Bin Zolkifli

Email

sales@synchroweb.com

Event Location

C-1-5 SetiaWalk,
Persiaran Wawasan,
Pusat Bandar Puchong,
47160 Puchong, Selangor.

Overview

We explore Mimosa's ground breaking wireless broadband solutions. A comprehensive wireless link-planning tool for point to point and point to multipoint networks.

What will be covered?

- Deploying point-to-point & point-to-multipoint networks and recommended architectures
- Providing customers with high-capacity, reliable, scalable and cost-effective broadband service, while achieving an ROI of 6-9 months
- Showing a demonstration on how to configure Mimosa unit

Required Materials

Kindly bring along your laptop and related peripherals (mouse, power adapter) as training material will be provided in soft copy.
